GUY W. BAILEY, Secretary of State, Essex Junction, Vt.

San Felice Cigars

FIVE CENTS STRAIGHT

AND WORTH IT!

Owing to the greatly increased cost of quality tobaccos, in fact everything pertaining to high grade cigars, the makers of the San Felice cigar, The Deisel-Wemmer Company, have advanced the selling price to the jobbers and Dealers, and henceforth this cigar will positively be sold to the consumer at 5 cents straight in stead of six for a quarter as previously.

The SAN FELICE is national in its scope and character, having justly attained this eminence through its unexcelled excellence. To maintain this unequalled standard of quality, the advance in question is absolutely unavoidable. The generous support of all men using quality cigars is earnestly desired.

Every grocery store has its customers who order POSTUM regularly instead of coffee.

They are former coffee drinkers who, for health's sake, changed their table drink.

If you suspect that coffee contributes to your discomfort or illness, ask the grocer for the names of several POSTUM users in your neighborhood; get in touch with them and hear their story.

Or, secure a tin of INSTANT POSTUM and try it on the family table for ten days instead of coffee.
